

Qupa S210 2:1 Binding Machine

The Qupa S210 is an all metal, manual 2:1 pitch wire binding machine. This desktop binding machine is ideal for binding reports, booklets, manuals, documents, notepads, calendars and menus. An ideal binding machine for small to medium office binding.

Machine Features:

- Rectangular hole punch in 2:1 Pitch (2 holds per inch)
- Two ways to hang the wire
- Adjustable margin depth
- Large waste tray
- Solid all metal construction
- Disengagement die pins
- Wire closer sector - secure wire closure
- Wire diameter scale
- Maximum 25 sheets* per manual punch
- Wire snatch - holding wire in place for easier insert
- Open side punching allowing for punching of documents larger than A4
- Maximum manual binding capacity 265 sheets*
- Double handle system - efficient, easier, longer lasting
