

WireBind 2 2:1 Binding Machine

The WireBind 2 is an all metal, manual 2:1 pitch wire binding machine. This desktop binding machine is ideal for binding reports, booklets, manuals, documents, notepads, calendars and menus. An ideal binding machine for medium to high volume usage. The machine also allows for binding of A3 document along the long edge.

Machine Features:

- Large waste tray
- Square hold punch in 2:1 Pitch
- Solid all metal construction
- Disengagement die pins (27pins)
- Wire closer sector - secure wire closure
- Wire diameter scale - wire master selector.
- Maximum 20 sheets* per manual punch
- Punching margin control - provides correct punching
- Wire snatch - holding wire in place for easier insert
- Open sides - allows the punching of documents, wider than Ar4 enabling you to bind A3 long edge
- Maximum manual binding capacity 265 sheets*
- Double handle system - efficient, easier, longer lasting
